Order Instituting Rulemaking on the  
Commission's Own Motion to Evaluate Existing  
Practices and Policies for Processing Offset Rate  
Increases and Balancing Accounts in the Water  
Industry to Decide Whether New Processes are  
Needed.

Rulemaking 01-12-009  
(Filed December 11, 2001)

**ADMINISTRATIVE LAW JUDGE'S RULING  
GRANTING INTERVENTION**

On April 3, 2006, The Utility Reform Network (TURN) filed a motion for leave to intervene in the above-captioned proceeding in order to file comments to the Alternate Proposed Decision of Commissioner Bohn. TURN tendered its comments together with its motion.

TURN does not seek to broaden the issues before the Commission, but rather seeks to file comments to an alternate. I therefore grant TURN's motion for leave to intervene.

**IT IS RULED** that the April 3, 2006 motion of The Utility Reform Network (TURN) for leave to intervene in this proceeding is granted, provided TURN does not broaden the issues before the Commission in this rulemaking.

Dated April 4, 2006, at San Francisco, California.
